

**FOR BOSTON BRIDGE WEBSITE...**

**9-18-17**

----

**Business Development Associate, Ezra Home Care, LLC**

Ezra Home Care is expanding! We are a privately owned and operated in-home health care company devoted to helping clients lead independent lives in the comfort, and security, of home and are excited to be branching out into new territories. The Business Development Associate will play a critical role in ensuring that the company meets its territory growth objectives.

The position requires an experienced, results-driven, person with a passion for seniors, and a proven track-record for identifying new business opportunities through referral sources including Skilled Nursing and Rehabilitation Facilities, Assisted and Independent Living Communities, and Memory Care units, and through developing Community Outreach programs. This person should have experience increasing client revenues in the Metro North territory of Boston, and a history of meeting and exceeding sales quotas. If you are interested in learning more about the position, please call or email — Susan Z. Robins, Vice President of Sales and Marketing — 857-250-7555 or [srobins@ezrahomecare.com](mailto:srobins@ezrahomecare.com).
